NJMASW MISSION STATEMENT

The New Jersey Motorcycle Alliance South West's intended purpose is to enhance the common good and general welfare of the motorcycling community, by promoting education, awareness, safety concerns, and to foster a general understanding by motorcyclist and motorist alike. Furthermore, we investigate any legislation concerning motorcyclist locally, statewide or nationally. Finally, we will engage in charitable activities befitting our organization, and benefiting both the motorcycle community and society at large.

THE PRESIDENTS VIEW

by Frank C. Maimone

Well, another month! Things just keep moving along. In May we had the Annual Bike Blessing, and it was a great success. In June NJMA held there annual Campover, and it was NOT a success. There were some considerations, like the weather forecast, the actual weather, or the Burlington City Bike Night. None of that explains why our own members did not support the event. It was disappointing, to say the least, to see so many of our regular members missing from that event. It's over, but the summer isn't.

Anyone that is available on Tuesday, July 4th, and would like to participate in the Berlin Parade, give me a call. Father Paul would usually gather the troops, but with his moving I am trying to pick up the slack. If you are interested, give me a call 609-870-3979, and I will provide the details.

This month is also a good time for a Bar-B-Q. Start with Bob Bray on July 1st, and then there is JD's Party on July 9th. This would be a GREAT opportunity to break bread with other members, and maybe you can convince others to join!

Enough rambling. Don't forget, our two most important, and hopefully profitable, events are coming up. **Ace's Freedom Run on AUGUST 13th, and the 24th Annual Toy Run on Oct 8th.** These are important, please plan on being there and participating. Also, think about bringing a friend. One friend each could double our attendance!

Ruth Ann Joseph offered her house as a starting point for anyone interest in a group ride to the PA Grand Canyon. The run is sponsored by A.B.A.T.E. of PA, and can be done from June thru August to qualify.

The Campover just broke even. It seems like it was the threatening weather and lack of member support.

Citgo and the United States

Venezuela Dictator Vows to Bring Down the U.S. Government. Venezuela government is **sole owner** of Citgo Gasoline Co!

Venezuela Dictator Hugo Chavez has vowed to bring down the U.S. government. Chavez, president of Venezuela, [told a TV audience](#): "Enough of imperialist aggression; we must tell the world: down with the U.S. empire. We have to bury imperialism this century." The guest on his television program, beamed across Venezuela, was Cindy Sheehan, the antiwar activist. Chavez recently had as his guest Harry Belafonte, who called President Bush "the greatest terrorist in the world."

Chavez is pushing a socialist revolution and has a close alliance with Cuban dictator Fidel Castro. Regardless of your feelings about the war in Iraq, the issue here is that we have a socialist dictator vowing to bring down the government of the U.S. And he is **using our money** to achieve his goal! The Venezuela government, run by Dictator Chavez, is the sole [owner of Citgo](#) gas co. Sales of products at Citgo stations send money back to Chavez to help him in his vow to bring down our government. Take Action

Please decide that you will not be shopping at a Citgo station. Why should U.S. citizens who love freedom be financing a dictator who has vowed to take down our government?

SEE YOU NEXT MONTH!!!!
