

ABATE Call to Action

URGENT, don't pass up this rare opportunity!

Senator Frank Lautenberg has consistently shown that he is not friendly to biker issues. Do you want to see another 6 years of him? We now have a viable candidate running against him in the Democratic Primary. **Rob Andrews** has been friendly to motorcyclist's concerns and even was a sponsor of the HIPPA bill to remove the loophole that under certain conditions allows insurance companies to deny insurance coverage to motorcyclists. ABATE has worked with Rob Andrews in the past on the HIPPA Bill and hopefully will continue to do so in the future.

Here is our game plan:

We will flood the voting booths in the Democratic PRIMARY Election with motorcyclists, their friends, and families who will vote for Rob Andrews. These primary elections historically have a very low turnout and there are over 150,000 registered motorcyclists in New Jersey. If we could get 25,000 of them to vote for Rob Andrews, we could easily swing the election and remove Frank Lautenberg from the Senate Democratic ticket in the General Election. This would leave Andrews running against the Republican nominee in the General Election. **We may never have a better opportunity to remove Frank Lautenberg!**

WE must have a record turn out at this June 3 Primary.

WE the Biker Vote must turn out in record numbers to defeat Senator Lautenberg and get Rob Andrews elected.

To do this you must be a registered Democrat. If you are already a registered Democrat and are registered to vote, you only need to show up and vote in the June 3rd primary.

If you are not a registered Democrat, the deadline for changing your affiliation for the Primary Election is fast approaching. If you choose to do it by mail, the deadline is **Monday April 14.**

In the General Election, your party affiliation does not preclude you from voting for whichever candidate you decide to vote for. In the General Election you may vote for any candidate of any

party you wish. Should you wish to change your affiliation at any time after the primary, you can do this very easily by mail.

If you register in person with your county board of elections you have until Wednesday May 14. Most counties have several places to register to vote and change your party affiliation. Go to your county phone book or [web-site](#) to find out more.

Unless you have lived in the dark ages you should know Lautenberg's unfriendly stances on biker rights.

There is a saying, strike when the iron is hot. Well, the -- IRON -- IS -- HOT. Remember, all the hours of griping at the bar, complaining at your friend's house, and other places will not be as effective as acting NOW! Make your voice heard at the June 3, 2008 Primary.

To maximize the impact of this campaign, please pass this on to your fellow riders, non-riding friends, neighbors, and family members. Remember that the window to declare party affiliation is closing fast. Do it today!
